## Wedding Packages

### **Bronze Package - £495**

This package is ideal for those looking for basic coverage of their wedding and would like just photos with no album.

This package includes starting 1 hour before the ceremony to take picture of arrivals at the venue or photos of the final stages of preparation, photography of the ceremony (subject to the permission by the venue) and full photography through to the end of the final speech. All images will be taken digitally and enhanced, cropped and cleaned as necessary to provide high quality images for you to be proud of. Images will be displayed in a private area on my website accessed by a username & password from which you and your guests can select images.

You will receive 30 (9in x 6in) prints and a DVD slideshow of all photos taken.  
A disc of all images in Hi-res, copyright free can also be purchased for an additional £200

### **Silver Package - £995**

This package includes starting 1 hour before the ceremony to take picture of arrivals at the venue or photos of the final stages of preparation, photography of the ceremony (subject to the permission by the venue) and full photography through to the end of the final speech. All images will be taken digitally and enhanced, cropped and cleaned as necessary to provide high quality images for you to be proud of. Images will be displayed in a private area on my website accessed by a username & password from which you and your guests can select images.

You will receive a beautiful 20 page flush mount Album (12in x 12in) with leatherette or to jacket cover and a disc of all images in Hi-res, copyright free.

Additional pages and finish options are available and I would be pleased to discuss these with you.  
Parent albums and guest albums also available.

### **Gold Package - £1,595**

On the day pre wedding photography of either the Bride or Groom getting ready.
